3. Other conditions

1. Mountaineering is a kind of an active rest in mountains, potentially dangerous for health and even life of anyone from the participants of the ascends up in the mountains.
2. The combination of natural risk factors (avalanche, steepness of slopes, complexity, variable condition of snow within the limits of the same slope on it's different plots, zones of the increased icing of slopes, overcoming of a various types of a relief) ice, snow, rocks, moraines, rock falls, fast modification of weather conditions up in mountains)) and other risk factors requires from each participant of an ascent an increased attention, caution and a mutual respect.
3. Each participant, realizing above mentioned risk factors, at will, in full mind and really evaluating the level of the natural and psychological preparation, makes an ascend and is responsible for the operations by himself/herself. Every mountaineer must have personal mountaineering equipment and a medical insurance.
4. Authority of the "Tourist Agency" on its side equips the places of increased danger with the fixed ropes, has its own constant active saving detachment and provides the first extra medical assistance.
5. Authority of the Base Camp warns about special avalanche danger of the slope part of the Somoni Peak situated on the Borodin edge at an altitude of 4600-4700m (so-called "pillow") and recommend to pass this part as fast as possible. It's categorically forbidden for the group to move along this dangerous part.
6. Authority of the "Tourist Agency" prohibits going out of the Base Camp territory without rescue party registration.
7. Authority of the "Tourist Agency" is not responsible, but does its best to provide the rescue – transporting activities for the climbers.
8. "Tourist" guarantees the insurance policy or independent payment of expenses relative to the emergency (organization of the emergency flight to the victim's point).
9. If the "Tourist" breaks the current agreement responsibilities it will free the "Tourist Agency" from any responsibility.
10. Questions and disputes on the agreement will be solved under the laws of the Republic of Tajikistan.
