Gamarjoba!

I am a mountaineer from Estonia. I visited Georgia (Svaneti) at 2007 and 2010 and got very positive feeling. There are plan to visit Georgia ( Mtskheta-Mtianeti district) in this summer again, with my friends (group about 4-5 people).

Planned mountain track is : Kobi (Ukhati, 1950) - Truso valley - Zakagori (2178) - Suatisi valley (2600) - East Suatisi glacier - Khoh ridge (4000) - Maili peak (4600) - Kazbek (Mkinvartsveri, 5043) - Gergeti glacier - Kazbegi (Stepantsminda, 1730). Map with track is attached. There is the border with Russia and s.c. South Ossetia also.

SO I ASK - IS IT POSSIBLE TO GET BORDER PERMISSIONS FROM YOU FOR SUCH TRIP, IN PRINCIPLE?

I have contact with Caucasus Trekking [1] and know the local conditions and terms. I speak Russian also.

Waiting Your answer,

Best regards
